Section Number - 01330				
03-021	SECTION 01330 SUBMITTAL PROCEDURES	NASA request to add the following to Section 01330, paragraph 1.5.2 - "All required installation, Fabrication and Connection Drawings shall be submitted and approved prior to the start of work detailed on these drawings."	Add "All required installation, Fabrication and Connection Drawings shall be submitted and approved prior to the start of work detailed on these drawings" to Section 01330, paragraph 1.5.2.	
<i>Submitted By:</i> CHIP JOHNSON				
Section Number - 01355				
03-050	SECTION 01355 ENVIRONMENTAL PROTECTION	Create new KSC Local shelf master specifications 01355 Environmental Protection.	Same as above.	
<i>Submitted By:</i> CHIP JOHNSON				
Section Number - 01356				
03-051	SECTION 01356 STORM WATER POLLUTION PREVENTION MEASURES	Create new KSC Local shelf master specification for Section 01356 Storm Water Pollution Prevention Measures	Same as above.	
<i>Submitted By:</i> CHIP JOHNSON				
Section Number - 01600				
01-005	01600 - PRODUCT REQUIREMENTS	Section needs to be reviewed and updated.	Perform Major Maintenance Review on Section 01600.	
<i>Submitted By:</i> DICK KELL				
Section Number - 02515				
03-007	Section 02515 - WATER SYSTEMS	Section needs to be reviewed and updated	Perform Major Maintenance Review on Section 02515.	
<i>Submitted By:</i> CHIP JOHNSON

Section Number - 02635				
03-029	SECTION 02635 - STORM SEWERAGE	In NASA Master 02635, Storm Sewerage, Subpart 1.3, Section 02225 is referenced and the correct section number should be 02312, Excavation, Backfilling, and Compacting for Utilities.	Correct NASA Section 02635.	
<i>Submitted By:</i> JO ANTHONY				
Section Number - 02810				
03-022	SECTION 02810 UNDERGROUND UTILITIES	NASA request to add the attached spec. 02810, UNDERGROUND UTILITIES to SpecsIntact.	Add NEW Section 02810 Underground Utilities to SpecsIntact Masters. Chip Johnson requested to change name of Section to Preinsulated Chilled Water Piping and Number Section 15180 per the CSI format.	
<i>Submitted By:</i> CHIP JOHNSON				
03-028	SECTION 02810 - PREINSULATED CHILLED WATER PIPING	NASA request to add the attached spec 20820, Underground Utilities to SpecsIntact.	Add New Section 02810, Underground Utilities to SpecsIntact Masters. Chip Johnson requested to change name of Section to Preinsulated Chilled Water Piping and Number 15180 per the CSI Format.	
<i>Submitted By:</i> CHIP JOHNSON				
Section Number - 03305				
02-017	SECTION 03305 - CAST-IN-PLACE CONTRETE	Environment Protection Agency (EPA) - Update Recycled Materials. Section has been reviewed for major maintenance.	Edit changes; when changes have been approved, place the section on the web site for the NASA Facilities to review for comments.	
<i>Submitted By:</i> SCOTT HAMPTON				
Section Number - 03470				
01-022	Section 03470 - TILT-UP PRECAST CONCRETE	Section needs to be reviewed and updated.	Perform Major Maintenance Review on Section 03470.
